THANK YOU

Thank you for sponsoring your local MOPS group. MOPS stands for “Mothers of Preschoolers” and is a non-profit, international organization that focuses on the unique needs of mothers with young children, by providing local groups that foster a caring atmosphere. MOPS recognizes that the years from infancy through kindergarten are foundational in a mother-child relationship.

We are the chapter sponsored by Cross Community Church in Palm Beach Gardens. Our group, comprised of approximately 70 mothers, meets every other Wednesday morning. In addition to childcare, our group meeting provides moms with thoughtful discussion, creative activities and engaging speakers. Each meeting is designed to help encourage, equip and develop our local moms.

Your sponsorship will help to fund some of our chapter’s critical objectives, including member scholarships and childcare. Donations of services or merchandise are always welcome and will be used in our spring silent auction fundraiser or for door prizes.

Thank you for your sponsorship or donation to our group. MOPS has continued to grow since 1973 because of the generosity of people like you. If you have any questions or would like additional information, please contact our MOPS Coordinator Melissa Sodoma at coordinator@crosscommunitymops.com.

Sincerely,

Cross Community MOPS
